# Feeding Feathered Friends

Providing bird food is a simple and effective way to entice various bird species to visit and stay in your outdoor space. Different types of bird food can attract different kinds of birds, allowing you to observe a diverse array of feathered visitors.

**At Sooty's we stock a huge variety of high-quality bird and wildlife food supplied by Henry Bell!**

Henry Bell Bird Care products focus on highly nutritious quality ingredients, we're confident these products will appeal to any variety of birds you wish!

# New stock constantly arriving

Sooty's Garden Centre is constantly focused on providing our customers the BEST stock we can find - whether that's in relation to flowers, shrubs, trees, plant pots, stoneware decorations, plant seedlings, benches, animal nests, and animal feed, we care about it all.
